Once your dog completes a title, you have the option to move up to the next level (on the next day or the next show) or to remain in your chosen level to compete for additional NADAC titles - such as the Superior Performance awards.

Note: Regardless of your dog's agility experience or titles earned in other agility venues, you must begin NADAC competition at the Novice level. Measurement forms may be obtained at <http://nadac.com/Application-for-Permanent-Height-Card.htm>

Jump Heights: There are five Standard Division-Proficient jump heights: 8", 12", 16", 20", 20+. There are four Standard Division-Skilled jump heights: 4", 8", 12", and 16". There are four jump heights for the Veterans and Junior Handler divisions: 4", 8", 12", and 16". Please see the NADAC Rulebook for the full jump height table.

NON-JUMPING CLASSES – VETERAN OR DISABLED HANDLER Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter the non-jumping classes as a Veteran Handler and receive 10% more standard course time. This option is for Veteran/Disabled handlers in the non-jumping classes only.

As of January-2014: Dogs must enter the Veterans Division in all jumping classes after their 9th birthday. After their 12th birthday, dogs must enter the Skilled Category, Veterans Division for jumping classes and Skilled Category for non-jumping classes.

When entering as a Veteran/Disabled Handler, you must enter all dogs in all classes for the entire trial in this Division and must jump 4" lower than your Standard Division jump height requires. In the non-jumping classes, dogs will be scored and placed with their Standard Division jump height.

It is believed that, at all times, handlers will enter their dogs at the appropriate heights, using sound ethics and good sportsmanship. This height exception is for the health and well-being of the dog, not to give one dog a competitive edge over another dog. NADAC assumes that any handler who enters a dog at a lower height has done so to maintain the longevity and good health of their canine companion.

Dog Height at The Withers	Proficient Jump Heights	Skilled Jump Heights
11 inches & under	8 inches	4 inches
14 inches & under	12 inches	8 inches
18 inches & under	16 inches	12 inches
20 inches & under	20 inches	16 inches
Over 20 inches	20+	16 inches
