Welcome to the Up 'n Over NADAC Agility Trial

NADAC courses are fun and fast due to the flow and distance between obstacles.

Please refer to the NADAC website for class descriptions

Once your dog completes a title, you have the option to move up to the next level (on the next day or the next show) or to remain in your chosen level to compete for additional NADAC titles - such as the Superior Performance awards.

Categories: Each class will be split into two categories, Proficient and Skilled. In the Skilled Category, All dogs **must** jump 4" lower than their Proficient Standard Division Requires. Dogs entered in the Skilled Category may incur 5 or fewer faults, and earn a 5 pt. qualifying round in the regular class only. In the Proficient Category a qualifying round must be clean and will earn 10 pts. There are no 5 pt. qualifying rounds in this category. **You MUST indicate either Proficient or Skilled Category on your entry from!!!**

NON-JUMPING CLASSES – VETERAN OR DISABLED HANDLER - Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter the non-jumping classes as a Veteran Handler and receive 10% more standard course time. This option is for Veteran/Disabled handlers in the non-jumping classes only. The Veteran/Disabled Handler division is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through an agility course. When entering as a Veteran/Disabled Handler, you must enter all dogs in all classes for the entire trial in this Division and must jump 4" lower than your Proficient, Standard Division jump height requires. In the non-jumping classes, dogs will be scored and placed with their Standard Division jump height.

Note: Regardless of your dog's agility experience or titles earned in other agility venues, you must begin NADAC competition at the Novice level. Measurement forms may be obtained at <http://nadac.com/Application-for-Permanent-Height-Card.htm>

Dogs which require measuring: Dogs in the Proficient Category, Novice, Open or Elite jumping 4", 8", 12" or 16"

Dogs which do not need to be measured: Dogs jumping 16" in the Veteran or Junior Handler Division- Dogs jumping 20" and 20+ - Dogs in the Skilled Category - Dogs with a permanent height card - Dogs listed on the Height Exemption List

Jump Heights: There are five Standard Division-Proficient jump heights: 8", 12", 16", 20", 20+.

There are four Standard Division-Skilled jump heights: 4", 8", 12", and 16". There are four jump heights for the Veterans and Junior Handler divisions: 4", 8", 12", and 16". Please see the NADAC Rulebook for the full jump height table.

Dog Height at

The Withers	Proficient Jump Heights	Skilled Jump Heights
11 inches & under	8 inches	4 inches
14 inches & under	12 inches	8 inches
18 inches & under	16 inches	12 inches
20 inches & under	20 inches	16 inches
Over 20 inches	20+	16 inches

Veterans and Jr. Handlers take an additional 4 in. height break.

Jump Height Exemptions - Dogs listed on the Jump Height Exemption list are not required to be measured.

Am. Staffordshire Terrier	Cavalier King Charles Spaniel	Petite Basset Griffon Vendeen
Australian Terrier	Clumber Spaniel	Pug
Basset Hound	Dachshund	Scottish Terrier
Bulldog	French Bulldog	Staffordshire Bull Terrier
Bull Terrier	Glen of Imaal Terrier	Swedish Valhund
Cairn Terrier	Miniature Bull Terrier	West Highland White Terrier
Cardigan Welsh Corgi	Pembroke Welsh Corgi	

It is believed that, at all times, handlers will enter their dogs at the appropriate heights, using sound ethics and good sportsmanship. This height exception is for the health and well-being of the dog, not to give one dog a competitive edge over another dog. NADAC assumes that any handler who enters a dog at a lower height has done so to maintain the longevity and good health of their canine companion.

IMPORTANT. Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately. NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to the www.NADACForum.com within two weeks after the NADAC office receives them from the club. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the Forum by going to www.NADACForum.com and submitting your request. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

Levels. Points earned at a higher level of a class, prior to the completion of the lower level title, will not be recorded by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.
