I understand that this Club has been formed with the intention of hosting AKC and/or NADAC trials. I also understand that the Club meetings will be held in the Macomb County area. I am also aware that the Club will not be holding classes, but will need my support, as a member, when matches and trials are held.

I also understand that the Club was established to encourage the training of dogs, both purebred and mixed breeds, and their handlers in the sport of agility; to encourage good sportsmanship in competition; and as a non-profit organization.
